Verse 2:

Sometimes I think that a true love can never be
 I just believe that somehow it wasn't meant for me.
 Life can be cruel in a way that I can't explain
 And I don't think that I could face it all again.
 I barely know you but somehow I know what you're about
 A deeper love I've found in you and I no longer doubt
 You've touched my heart and it altered every plan I've made
 And now I feel that I don't have to be afraid.
